Event: 2019 Kentucky Invitational

Location: Kentucky Horsepark, 4089 Iron Works Parkway, Lexington KY 40511

Dear Pullers,

The staff at TNT Truck and Tractor Pull would like to thank you all for a great 2018! The Invitational kicked off a great year of pulling and we are excited to begin preparations for the 8th Annual Kentucky Invitational to be held this January 3rd -5th, 2019.

We will once again invade the Kentucky Horsepark bringing in our own kind of horsepower! We will host 4 sessions of pulling action on Thursday night, Friday night, Saturday morning, and the Saturday night finals. We will again be using the Southern Express Pulling Sled along with the Carey smoke machine. We are working to make improvements to last year's show and want you to know that we appreciate each one of you and the show that you put on. We take your feedback seriously and are committed to making changes where needed. It is very difficult to select classes for this event and we honestly wish we could include all classes and every competitor but we can only fit so many hooks into these four sessions. However, we have decided to add one additional class to the Saturday afternoon session this year – the Pro Stock 2wd trucks. We unfortunately still have to limit the number of entries in all classes so please do not think that if you are not accepted that it is for any reason other than we cannot fit everyone in. Applicants are chosen by TNT event participation and pulling accomplishments.

The 2019 application is enclosed. It is critical that your completed application and entry fee be submitted and **received by November 16, 2018**. Please note that we are also requesting a photo of you and your vehicle this year for advertising purposes. We hope to have all selections made and announced by no later than November 25th. Any application that is not accepted will be returned within 30 days of the selection.

We have also updated our new website www.tnttruckandtractorpull.com with current rules and other event information. Please be sure to check the site often for updates.

Thank you again for being a part of the TNT Truck and Tractor Pull organization.

Eddie Carey
