Event: 2021 Kentucky Invitational

Location: Kentucky Horsepark, 4089 Iron Works Parkway, Lexington KY 40511

Dear Pullers,

The staff at TNT Truck and Tractor Pull is excited to begin preparations for the 10th Annual Kentucky Invitational to be held this January 14th – 16th, 2021. After the crazy 2020 we have had, let's all hope 2021 is good to us! Our plan is to conduct this event as we normally do. We are working with the Ky Horsepark to ensure we can have a safe and fun event for everyone! If anything should change, we will certainly notify everyone asap.

We will host 4 sessions of pulling action on Thursday night, Friday night, Saturday morning, and the Saturday night finals. We will again be using the Southern Express Pulling Sled along with the Carey smoke machine. We are working to make improvements to last year's show and want you to know that we appreciate each one of you and the show that you put on. We take your feedback seriously and are committed to making changes where needed. It is very difficult to select classes for this event and we honestly wish we could include all classes and every competitor but we can only fit so many hooks into these four sessions. We unfortunately still have to limit the number of entries in all classes so please do not think that if you are not accepted that it is for any reason other than we cannot fit everyone in. Applicants and classes are chosen by TNT event participation, sponsors, and overall TNT support throughout the entire year.

The 2021 application is enclosed. **It is critical that your completed application and entry fee be submitted and received by November 13, 2020.** Please note that we are also requesting a photo of you and your vehicle for advertising purposes (only if it needs to be updated from the 2020 Ky Invitational or if you are new to pulling with us). We hope to have all selections made and announced by no later than November 25th. Any application/class that is not accepted will be returned along with all fees by December 21st.

We have updated our new website www.tnttruckandtractorpull.com with current rules and other event information. Please be sure to check the site often for updates.

Thank you again for being a part of the TNT Truck and Tractor Pull organization.
